Event Outline

To mark the opening of the 2024 Alice Springs Masters Games (ASMG), the first to be held since 2018 following Covid lockdowns, an Opening Ceremony will be held at Traeger Park Oval.

Following the tradition of ASMG since 1986, there will be an Olympic Games-style march of participants in their sporting groups, an official opening with a Welcome to Country, speeches from Government Ministers and ASMG Ambassadors, and local and interstate musical acts to entertain the crowds, all capped off with a celebratory fireworks display.

The Opening Ceremony is a free event, with participants and the general public encouraged to attend. The event is expected to attract approximately 2,000 – 4,000 attendees.

This application form is to express interest in the running of a food van/stall only. Completing and submitting this document does not guarantee the allocation of a food stall at the opening ceremony.
